The Arts Meet Oral Health

Through the Delta Dental Making Smiles Happen® Arts in Education Initiative, Fund for the Arts and Delta Dental of Kentucky are working to provide arts-based educational experiences and enhance the quality of life for every child in Kentucky.

When it comes to improving oral health, the arts can play a role. Two key determinants of oral health are a lack of oral health information and an individual's level of educational attainment. The Delta Dental Making Smiles Happen® Arts in Education Initiative addresses both of these determinants by reaching thousands of students across the Commonwealth, increasing access to the arts and oral health information.

The arts are a critical component of the overall education experience, enhancing student academic achievement and development. Research shows that a student involved in the arts is four times more likely to be recognized for academic achievement, and students with high arts participation and low socioeconomic status have a 4% high school dropout rate – five times lower than that of their low-socioeconomic peers not involved in the arts. Each of the programs offered through the initiative is connected to the Commonwealth of Kentucky's Common Core State Standards and are led by a professional arts educator

Program Description: Oh Freedom! is a musical journey that begins in west Africa and follows a chronological path from the Middle Passage and songs of slavery to the Civil Rights movement and finally to the election of the first African-American President of the United States. Audiences												

Music Program Descriptions: K-5

will learn how the drums and songs of West Africa became the call and response songs of slavery and how codes were hidden in the songs to help slaves to freedom. The journey continues to New York and the Harlem Renaissance as well as the world of opera with Gershwin's Porgy and Bess. We recognize the importance of the great African-American opera star Marian Anderson along with Dr. Martin Luther King, Jr. in their involvement in the Civil Rights movement. The musical journey ends with a celebration of hope and honors the country's first African-American President with the performance of "Chorus of Hope" by local composer, Harry Pickens. Program available with on-site provided piano or KY Opera's mobile electronic keyboard.

Program Description:

Kentucky Opera is producing a touring version of Gioachino Rossini's beloved comic opera, The Barber of Seville. The production is a family friendly edition, performed in English and designed to introduce young and new audiences to live theatre and opera. On site tuned piano preferred. Also available with KY Opera's mobile electronic keyboard.

A pre-performance discussion, led by the Education Manager, is available by request. The discussion will take a multimedia approach to prepare students for what they will experience during the performance. Musical and historical topics will be discussed, as well as insights into the production process with Kentucky Opera. The performance will follow with a post-show Question & Answer session with the cast.

* Also available as a "family event" during after school hours.

Program Description:

This is a show-and-tell program that demonstrates and discusses puppetry from around the world. Learn about the Japanese tradition of Bunraku, Indonesian Shadow Puppets, Indian Marionettes, and an up-close look at Squallis' own backpack style parade puppets, as well as many other puppetry traditions. This is a great introduction to the world of puppetry. A facilitation of Q and A with the puppeteers is included throughout the program, along with an interactive puppet game at the end of the presentation. This is an entertaining lecture, not a puppet show.

Program requires 30 minutes for setup and 15 minutes for cleanup.

Program Description: This is a cooperative workshop in which groups of 5 - 10 students work together to construct a large processional puppet out of recycling. Great for older students and as a team building exercise with adults. A puppeteer/educator prepares recycling and found objects to make it easy for students to pick facial features and body parts out of everyday materials. Using tape and hot glue, the group is able to make 1-3 big puppets, depending on class/group size. Additional workshops available if needed, contact us to help plan your workshops. Program requires 30 minutes for setup and 15 minutes for cleanup.
