Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

The mission of the Fund for the Arts is to maximize the impact of the Arts on economic development, education and the quality of life for everyone by generating resources, inspiring excellence and creating community connections.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 4,060,551 including grants of \$ 4,037,580) (Revenue \$ 0)

The Fund for the Arts is one of the largest direct funders for each of 14 tax-exempt "Cultural Partner" organizations which together provide a significant portion of the Arts experiences available in the Metro Louisville community. Awards are made through an annual "funding process" which includes review by a Committee comprised of Board members, members of "NeXt!" (a group of young professionals focusing on community building through the Arts) and Fund staff. Information reviewed as part of the process includes a summary of each organization's accomplishments, challenges, operating plans and audited financial statements. The "general operating support" provided to these organizations represents approximately 8-40% of their operating budgets and in each case the Fund represents the single largest donor to each organization. This support allows these organizations to work collaboratively to expand accessibility to the Arts in the community and offer significant participation in promoting and delivering Arts education. Impact of this funding through the Cultural Partners includes supporting more than 1,000,000 Arts experiences for the community, 400,000 Arts experiences for students and 2,700 students participating in Arts training programs.

4b (Code:) (Expenses \$ 1,126,598 including grants of \$ 1,072,297) (Revenue \$ 0)

The Fund works closely with various community organizations and individuals to accept, award and monitor "partnership contributions" which are donor directed through the Fund to specific Fund for the Arts' Cultural Partners as well as other community Arts organizations. This program provides additional funding in support of the Arts community. The Fund expanded this approach through the implementation of a technology-based crowd-funding platform, power2give, designed to connect donors with Arts and cultural projects they are passionate about. The site allows charitable organizations to post and promote Arts projects in need of funding and invites donors to contribute directly to the projects that are most compelling to them. The Fund for the Arts provides match funding and administers the site. Through matching gifts and various communication strategies, approximately 670 gifts through power2give supported 75 Arts/cultural projects funding nearly \$253,000 of Arts related projects.

4c (Code:) (Expenses \$ 514,232 including grants of \$ 431,930) (Revenue \$ 0)

The Fund sponsors the EVERY CHILD Arts Education Initiative including the Teacher Arts Grants program "TAG" which enables teachers to request funding to allow their students to attend Arts events or supplement their classroom with residency Arts programming often with a math/history/science curriculum focus - provided 12,918 Arts experiences through 94 projects in 73 schools; "5X5" Initiative where the goal is for every child to have an Arts experience during each of their first 5 years of school - provided 49,196 Arts experiences through 290 projects in 60 schools; "School's Out = Art's In" program developed in conjunction with Louisville Metro Parks to provide Arts based activities during out-of-school time such as summer and spring breaks within Metro Louisville's Zones of Hope - provided 500 arts experiences in 10 community centers; and "Hear the Music" developed for middle school students where hearing screening and hearing loss prevention education are combined with an experience with a performance by professional musicians - 11 events at 4 Jefferson County Public Middle Schools where 493 students participated.

Part IV Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Schedule I, Part I, Line 2 - Fund for the Arts awards the most significant portions of its grants to preselected "Cultural Partner" organizations which adhere to stated requirements for continued qualification. Each organization is part of an annual funding process which includes a review by a Committee comprised of Board members, "NeXt!" members (a group of young professionals in a year-long program focusing on community building through the Arts) and Fund staff. Information reviewed includes summaries of the organizations' accomplishments, challenges, operating plans and audited financial statements. Grants made under the "partnership grants" program are only made to qualifying Section 501(c)(3) organizations with periodic reporting required where restrictions may apply. Many of these grants are also made to the "Cultural Partner" organizations. Grants made pursuant to the EVERY CHILD initiative (which includes Teacher Arts Grants, 5X5 Initiative, School's Out=Art's In, etc.) are made to qualifying schools or Section 501(c)(3) organizations for the delivery of Arts experiences. Monitoring is done through contact with the Arts organizations providing the experiences and follow-up with teachers. All other grants (including those made through power2give) are based on specific requests and are made to other Section 501(c)(3) organizations. Appropriate follow-up, if any, is determined based on the size of the grant, purposes and knowledge of the organizations.
