**Download Louisville Arts Link**

Louisville Arts Link is a free mobile app and your central calendar for all things arts & culture. Discover free and public events, purchase tickets, share events with friends, and unlock access to special offers, discounts, & more!

>> DOWNLOAD TODAY <<

GET IT ON  
Google Play

Available on the  
App Store

{{ name }},

Louisville Arts Link makes it easier than ever for our community and guests to enjoy the city's vast arts opportunities. Fund for the Arts has created "Louisville Arts Link" to be a central location for schedules and information about local arts events.

In addition to an arts calendar open to the public, the FREE app, available in the Apple Store and Google Play, will give donors, at the \$52 per year level or higher, exclusive offers. Formerly available as printed Arts Cards, these offers include special ticket packages, first option to purchase, free performances and last-minute discounts. Click here to donate now!
