Dear {{ name }},

Your pride in our community is justified. Greater Louisville ranks in the top 10 of national lists when it comes to art, food, and culture! Without our thriving arts scene, we'd be hard-pressed to make any "best of" lists, let alone leverage our cultural cachet to attract top talent and businesses to the region.

Greater Louisville boasts an unrivaled breadth and depth of arts and cultural offerings for residents and tourists alike. We are committed to enhancing our quality of place—the arts break down barriers, encourage civic participation, and spark innovation—all vital for our region to expand and flourish.
