Engage with the Arts in your Unique Way

With your support we want to increase equity, diversity and inclusion in our arts and culture community. We aim to grow donors and advocates; create a pipeline for staff, board and volunteers; elevate artists and arts leaders; and feature works of art, productions and exhibits that speak to underrepresented perspectives and experiences.

ArtsPride

ArtsPride provides the opportunity to discover and celebrate the arts, artists, leaders and stories that are essential to a vibrant LGBTQIA community.

Leaders under 40 network with peers, artists and local thought leaders as emerging philanthropists. With accessible tiered giving levels, young donors can build onto their gift each year, with the intention of joining Farnsley Society with a gift of \$1,949 by age 40.

Hamilton Society

Named in honor of local sculptor and activist, Ed Hamilton, leaders of diverse cultures engage in celebrating and growing diversity in the arts and cultural sector.

Women's Leadership Circle

Women leaders join in conversation and arts experiences that celebrate women artists, leaders and highlight the essential feminine voice.
