Recommended ages: 10 - 21

The Making of OPPY: This video was inspired by our production of *Are You There?*, part of the 44th Humana Festival of New American Plays. This production centers on two scientists who have lost connection with the Mars rover, “Oppy.” Our props artisans fully designed and built a remote controlled rover. In this video, several members of our props team discuss the design and build process and the trial and errors they experienced while creating such a unique, expressive piece.

ART FM, Inc.

Link: <http://artxfm.com/culturalpass/>

Recommended ages: 12 - 21

ARTx FM is a community radio station based in Louisville, Kentucky broadcasting on WXOX 97.1 FM. During the Covid-19 lockdown, our volunteer DJs developed an innovative method for broadcasting live from the comfort and safety of home. This summer ARTx FM DJs will welcome Cultural Pass participants into their studios through the magic of Zoom!

During this event, Cultural Pass virtual attendees will learn about the history of radio station WXOX and have the opportunity to get behind the scenes to meet some of their favorite DJs. Participants will gain an understanding of how the remote broadcasting technology works and what goes into producing a radio show. Studio tours will be followed by a question and answer session and attendees will be invited to join the afterparty in a Zoom silent disco!

Recommended ages: 7 - 21

With the passing of the 15th amendment to the US Constitution in 1870, black men were given the right to vote. Listen in as the Nugent sisters discuss the passing of the amendment in a scene created by Looking for Lilith Theatre Company. Learn what the passing of this amendment means to them as young black girls in Louisville, KY in 1870.

In the scene, Alice and Georgia Nugent talk about overhearing their parents discussing the 15th amendment but we don't see that scene. What do you think the parents said? Did they agree or disagree? You get to decide by writing the scene between the parents.

Petals and Poetry

“Colors with rhythm,

colors with songs.

Designs with dreams,

inspirations to become.

Enchanting.

My eyes taking refuge in the petals.” - Melissa, age 13

--

Students will create a collage made of natural, found materials (fallen petals and leaves) that reflects their thoughts and feelings. After the collages are created, students will then turn to poetry and write odes, celebratory poems of joy, to go alongside their collage.

Students can write odes to nature, odes to friends or family, or anyone or thing that their collage makes them think of. Students will then use their collages to inspire their writing and describe the person or thing using Golden Details-sight, smell, hearing, taste, touch, alliteration, simile, personification, and metaphor-giving the gift of poetry and art!
