initiatives include: ARTS IN INSTITUTIONS The original Fund for the Arts initiative, Arts in Institutions is designed to invest in nonprofit arts organizations in the Greater Louisville area via the Sustaining Impact Grants. These grants provide unrestricted operating support to ensure the organization's ongoing capacity to fulfill their mission and drive community impact. All SIG recipients are required to illustrate their equity plan and efforts to diversify within their organization, as well as their efforts to support equity and inclusion in our community. In 2022, the Fund invested \$3 million in 28 arts nonprofit organizations throughout the Greater Louisville area. Cultural Pass offers Greater Louisville families with children ages 0-21 access to arts and cultural activities, free of charge, all summer long. Cultural Pass is an innovative endeavor to promote a lifelong love of art and culture to young people, expand access to these organizations and arts providers, and improve summer learning in our community. On average, over 40,000 passes are distributed per summer, resulting in over 66,000 unique arts experiences for our community members. For 10 years, Cultural Pass has been a unique collaboration between Fund for the Arts, Louisville's Arts and Culture Alliance, Louisville Metro Government, Louisville Free Public Library, and additional regional library systems. ARTS IN LEARNING Arts in Learning supports investments in curriculum-based arts programs in schools and other learning environments for all ages, expanding access and learning through arts for students across the Greater Louisville area. Research from Americans for the Arts shows that not only do students engaged in arts programming achieve at higher and more consistent levels, but that young people's arts involvement drastically improves mental and physical health, graduation rates, and civic engagement. At the core of Arts in Learning is better cultural understanding, improved test scores, increased engagement, and critical learning skills. 5x5 and Teacher Artist Grants (TAG) provide funding to K-12 teachers and schools to enhance their classroom instruction with arts programming and experiences throughout the Fund for the Arts service area. These opportunities complement what students learn in the classroom and meet them where they are in out-of-school programming. In 2022, over 48,900 students across 155 schools were given arts-based experiences through the 345 grants awarded. ARTS IN NEIGHBORHOODS Arts in Neighborhoods supports programming and funding for community-centric arts events and experiences, community engagement activities, and mini-grants for existing event sponsorship. Our neighborhoods are rich, vibrant communities where people play, work, and create. When we partner alongside civic, arts, and neighborhood leaders to support and create intergenerational arts experiences within the neighborhoods themselves, we experience higher outcomes in building and reinforcing strong, healthy neighborhoods. In 2022, Fund for the Arts worked with 9 civic and neighborhood partners to cohost 3 free, multigenerational arts celebrations. Combined, these events amplified the work of 100+ individual artists and 20+ arts organizations. I AM AN ARTIST. I Am An Artist. is a campaign to inspire and empower individuals in our community to reclaim their artistic identity, often in ways they don't expect. I Am An Artist. seeks to remove thought barriers and restrictive understanding of what constitutes "art" and "artist," and think expansively about art and the things we create in our everyday lives. The I Am An Artist. exhibition, will open in the Fund for the Arts lobby in 2023, celebrates just a few of the over 600,000 incredible artists in the Greater Louisville area: the people who live, work, play, and create together in our City of Artists. We hope that by showcasing and uplifting more community members and their many artforms, everyone will be empowered to find their art and feel confident saying to the world, "I Am An Artist." The more people in our community who self-identify as artists, the more in-tune they become with the art that surrounds us, the more likely they are to participate through art in our neighborhoods, the more comfortable the entire community feels engaging in arts across the city, the more connected we become.
